

**Amendments to the Drawings**

The attached four sheets of drawings include changes to Fig. 1, Fig.3, Fig. 5 and Fig. 6. These sheets, which include Figs. 1-3, 5 and 6, replace the original sheets including Figs. 1-3, 5 and 6.

Attachment: Replacement Sheets

**Remarks**

The Specification has been amended to claim priority of the provisional application. The claims have been amended to place the claims in a format suitable for prosecution before the U.S. Patent and Trademark Office. The claims were not amended in order to address issues of patentability. Four replacement sheets of drawings have been submitted to insert the text into the empty boxes.

**Conclusion**

Applicants submit that claims 1-15 distinguish patentably and non-obviously over the prior art of record and are in condition for allowance. An early indication of allowability is earnestly solicited.

If any fees are due in connection with this Preliminary Amendment, the authorization to charge deposit account 14-1270 for the fees associated therewith is hereby provided.

Respectfully submitted,

Thomas M. Lundin
